

Bicycle Registration Program

Register Your Bike *TODAY!*

The Village of Ottawa Hills Police Department recognizes the ongoing problem of bicycle thefts. We have a bicycle registration program in place to assist investigators with returning stolen or lost bikes to their rightful owners.

If you are an Ottawa Hills resident and wish to participate in this program, please appear in person at the Ottawa Hills Police Department at 2125 Richards Rd., Ottawa Hills, OH 43606.

Once you fill out the bicycle registration form you will be issued an Ottawa Hills Bicycle License (as shown). The sticker is then placed on the bicycle for easy identification.
