

In addition to our Internet service, Official Payments Corp.[®] also offers a convenient payment service via telephone. Our automated system will take you step-by-step through the simple payment process.

The average phone call takes only three to four minutes. If you prefer to make your payment using your touch-tone telephone, please call toll-free at **1-800-2PAY-TAXsm** (1-800-272-9829).

At the end of the call, you will be issued a confirmation number. Please write this number down and save it for your records. Your payment will be effective on the date the transaction was made.

Note: A convenience fee will be charged for using this service. The fee is paid directly to Official Payments Corp. Our government partners do not receive any portion of this fee.
